

End of Marketing Life Statement ***Encompass Networked, Encompass Standalone*** ***and supporting products***

VIQ Solutions Inc. ("VIQ") announces the End of Marketing Life for **Encompass Networked, Encompass Standalone, VIQ Player - Encompass and Encompass Backup** (collectively "Encompass") version 1.0.0.5 effective June 15th, 2009.

1. Replacement Product

Encompass will be replaced by the Encompass Pro product suite. Software upgrades will not be available for Encompass to the Encompass Pro product suite. Customers wishing to move from Encompass to the Encompass Pro product suite will need to do so via the migration path specified by VIQ. Migration from Encompass to the Encompass Pro product suite can only be performed by the VIQ Professional Services Department.

2. Final Customer Shipment

Final customer ship date is June 30th, 2009.

3. Estimated End of Support - Encompass 1.0.0.5

Support for Encompass Version 1.0.0.5 will continue with patches and bug fixes as required. The Estimated End of Support date for Encompass Version 1.0.0.5 is June 15th, 2013. This applies to Version 1.0.0.5 only.

Customers with prior versions of Encompass who do not have a current and valid SSM will only receive support from VIQ on a "best efforts" time and material basis.

4. Encompass Suite Migration to Encompass Pro

A migration project plan outlining the migration path from Encompass 1.0.0.5 to Encompass Pro will be provided to Authorized VARs on a case by case basis. Costs and time required will vary based on customer requirements.

5. Extended Support for Tenders and Bid Proposals

Encompass Pro is the replacement for Encompass 1.0.0.5. For any outstanding bids or tenders, however, VIQ will not replace Encompass 1.0.0.5 with Encompass Pro. VIQ will honor any outstanding bids in which Encompass has been quoted until August 31st, 2009.
